Dear Mr. Newman:

I'm sorry I missed meeting you at the Chicago convention but I am looking forward to seeing you at the Grand Central meeting. The Forum will be held on November 5th and I would very much like to have you join me for dinner that evening.

At your leisure will you please send me a brief biography to be used for introduction and the title of your talk.

I shall look for you at the convention.

Dear Mr. Becht:

Thank you for your October 6, 1966 letter with regard to the Grand Central Educational Forum on November 5, 1966.

My talk will be entitled: "The Source of the Most Important Emblems and Mottos in American Numismatics."

I will need a 35 mm slide projector and a large screen. I will only have about 15 to 20 slides. I do not need an operator if you have a remote control slide changer which I can operate by wire from the lecturn.

It will be my pleasure to join you for dinner if the other speakers are also coming, but it is not necessary if at all inconvenient.

I enclose a biography but I recently learned of a nice thing you could say, namely, that I have been awarded more Heath Literary Awards by the A.N.A. than anyone else, namely eight.

Sincerely yours,
